

Project “B”

A Total Office Solutions, LLP Success Story

Project Summary-

“Company B” relocated 600 employees from two origin facilities in

North Dallas to a beautiful new 120,000 sq. ft. facility they built in Carrollton. This represents another very large move that had to be

accomplished in a short time frame. All relocation service related activity was completed in just 6 days and involved some crews working around the clock.
