

Project “C”

A Total Office, LLP Solutions Success Story

Project Summary-

“Company “C” is a valued on-going client relationship. This particular project involved the relocation/restack of over 400 people and their associated modular furniture stations within the Denison, TX facility and the relocation of contents and PC’s for 200 people from the Bonham, TX facility. Combined, that’s about 200,000 sq. ft. of space that was reconfigured over a 45 day period.
