## Do You Know What We Know?

You Can Safely Store, Move, and Reconfigure—  
All with One Supplier; Us.

Move Solutions  
Flexible Storage  
Solutions

## NEED SHORT-TERM STORAGE?

Need short-term space for a project? Need project storage options? Need managed inventory receipt, storage?

Don't stress! Our state-of-the-art warehouse facilities offer safe and secure, climate-controlled storage space—perfect whether you're planning ahead or adapting to change. We make simple storage simple and worry-free.

### What Our Storage Solutions Do for You:

- We inventory, track, and protect your assets in secure facilities
- We offer flexible terms for short- or long-term storage
- We coordinate with your schedule so everything's ready when you are
- We provide detailed reporting so you always know what's in storage
- We can deliver and install items on-demand—right when you need them

**Who We Are:** Move Solutions is a core component of the Total Office Solutions family of companies and is one of the largest commercial moving companies in Texas.

**What We Do:** We provide comprehensive services including office moves, MAC (Moves/Adds/Changes), technology services, furniture installation, storage solutions, facility decommissioning and final clean for local, national, and international clients.
