Dear Michael:

We want to thank you again for your dedication and generosity to the Make-A-Wish Foundation® of North Texas. On behalf of our wish child Yong, we would like to extend our deepest appreciation to you for helping make his wish come true. We wrote him the enclosed one-of-a-kind story especially for you. As you can see by the story, he enjoyed every moment of his computer wish experience and will for years to come.

Children come to the Make-A-Wish Foundation at a frightening time in their lives. It is a time when a life-threatening illness abruptly halts the real work of a child's life – dreaming, creating, imagining, playing – and begins, instead, a determined fight for life. A wish encourages a child to see a future and make recovery a reality. That is why we are so grateful for your extraordinary generosity.

We wish you the same joy your kindness has brought to Yong and his family.

Best "Wishes,"
