Dear Michael;

I want to thank you for the extraordinarily generous donation of office furniture to the Precinct 5 Constable's Office. It may seem like a small thing to you but to us it is a remarkable act of kindness and support. Because government agencies are more often being called upon to provide an increasingly complex array of services with decreased or flat funding, your gift is something for which we would likely not receive budget approval for many years if at all.

I am a firm believer that in order to achieve excellence and live up to the expectations of those we serve, it is not only necessary to perform in a relentlessly diligent and reliable manner, but we must also unflinchingly present a professional appearance on every front. Your gift will enhance our ability to present our office in the best possible light and promote the professional image we strive to maintain.

In a time when law enforcement faces inexorable attacks in the media as well as on the streets, it is overwhelming to receive support from persons such as yourself who are willing to row against the tide of anti-police sentiment and support law enforcement on a personal level.

Thank you again for your generosity and support. We will proudly utilize your gift daily in our pursuit of excellence.

Kindest regards,

John Ellen  
Constable  
Hays County, Texas
