Dear Mike,

On behalf of Mr. Bates LeGrand and his wife, Bess, I want to thank you and your friends for providing the materials and the expertise to widen Mr. LeGrand's bathroom room.

He has already written a very nice thank you note thanking us for bringing you all in on this project. It was very successful. Mr. LeGrand told us that it makes bath time a much better experience for his wife and himself.

Thanks for making a difference in the lives of our seniors.

Sincerely,
