How Will We Serve Your Needs and Wants?

When it comes to office furniture, you don't just need desks, and chairs.

What you really need are spaces for people to work, meet, store their belongings, and attract bright new teammates. We don't just specify office furniture; we help you find the environment that allows your team's very best qualities to rise to the top AND enjoy that success!

Our designers pay attention to so much more than furniture. They constantly work on real projects, visit manufacturers' factories, attend industry education, and perhaps most importantly, visit client sites before and during installation. They are real-world designers, not CAD experts. They listen to you in a way that enables design magic.

Esthetic, Functional “Environments by Design”

Great work environments consist of three things: leadership, teams, and great furniture. Our opportunity is to listen to you, and work with you to match your Leadership vision and your Team's vision with the furniture lines, furniture options, fit, and finishes that support your work style, culture, and future.

Our Blend Product Philosophy Maximizes Your Budget

Chances are many of your pieces just need a good cleaning or some repair or can be repurposed. After assessing what you already have, we can figure out what else you need. Not only does blending your current furniture with new-to-you pieces save you some money, but it also ensures that your needs are met while satisfying many of your wants.

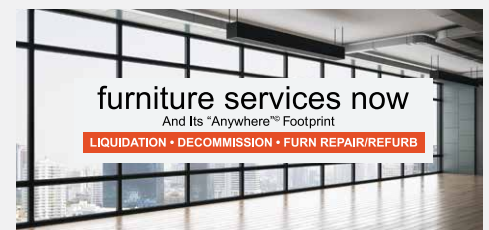

New Office Furniture

Office Furniture Plus's Amazing Manufacturer Lineup! Nearly 200 and Counting! No matter what you need for your business—whether it's for your boardroom, mailroom, office, or common area—we have options for every taste and budget.

Used Office Furniture

As a large-scale liquidator of used office furniture projects, we “cherry-pick” those inventories on your behalf. Top manufacturers like Herman Miller, Knoll, Steelcase, Haworth, Via, Aeron Chairs, and more.

Liquidation and Facility Decommission

When it's time to liquidate and decommission your office, our start-to-finish services assure a fluid process before, during, and after your move. We take careful inventory of your furniture and assets and present a valuation proposal.

Tech Connect, Decommissioning, and Inventory Services

TechTeam Solutions is your one-stop resource for data, voice and audio/visual cabling, PC disconnect and reconnect, server relocation, and IT equipment inventory management. We can recommend proven suppliers to assist with designing the most efficient infrastructure for your application and then expertly install and integrate all of the components, including business and VoIP telephony.

Your Technical Helping Hands

Our knowledgeable, experienced team members provide the extra hands you need while implementing a transition plan. They work with you and for you to ensure that suppliers are aligned, fiber is up, servers are synced, the cloud is accessible, WiFi is working, and your changes are completed on schedule. We offer precisely the help you need, when you need it, for new installations, moves, or decommissioning.

**When You Move, Your Technology Moves with You.
TechTeam Plans and Physically Supports Those Moves.**

Services For You

- PC Disconnect/Reconnect and Computer Moving
- IT Moving Services
- Server Migration Services
- New Equipment Receipt and IT Inventory Management
- Shredding & eWaste Disposal
- Low Voltage Cabling Installation and Removal

Pre-move Shredding, eWaste Destruction, and Certified Disposal

It is essential that you think through what you dispose of relative to security, privacy, and business “secrets”. Move Solutions and TechTeam Solutions helps you with all of that; we have been “there” thousands of times to your one. Scheduled and supervised privacy destruction; whether documents, electronic equipment, or objects. When electronics have been cleansed of data, Move Solutions and Renewed Solutions then disposes of them in a sustainable and responsible manner.

Move Solutions and TechTeam Solutions offers purging equipment and services for your use BEFORE the move. Gondolas, Purging Bins, insertion of the activity into the master schedule; all important to you reducing your move expense in a expense conscious and responsible manner.

TechTeam Solutions and Move Solutions— your trusted partner for the following services!

- Shredding “NAID AAA Certified”
- Onsite & Offsite Capabilities
- Electronic Recycling “R2 Certified”
- Hard-Drive Shredding
- Certificate of Destruction & Recycling
- 100% Recycled
