4 Liquidation, Decommission

Move Origin

Used Furniture Liquidation

When it's time to liquidate and decommission your office, our start-to-finish services assure a fluid process before, during, and after your move. We take careful inventory of your furniture and assets, and present a valuation proposal.

Lease Compliant Return to Landlord

Facility Decommission

As we have cleared your origin space of your old, unwanted furniture, there is still work to be done: decommissioning your space. Your lease document specifies the physical condition of the space, when you return it, that qualifies as lease compliant. Cleaning, ceiling tile repair, relamping, dry wall repair? Anything that is more than "normal wear and tear" will need to be attended to. We can do that for you!
